Offering: Each year we take an offering at Sno-Glo to support another ministry around the world! The offering this year will be used to support an orphanage in Kenya called “Heart To Care.”

“Heart To Care” is an orphanage in Kenya run by the Osenya family, and it costs them \$60/month to send one of their orphans to school.

The money we raise at Sno-Glo 2018 will be used to provide much-needed learning for these orphans so that they will be able to grow and succeed in careers as they get older.

If you’d like to give toward this valuable ministry while you’re at Sno-Glo this year, just bring some cash, and we’ll participate in the offering!
